Dubrovnik

Welcome to Croatia

Halina Kubica
Owner & Managing Director

Croatia is still undiscovered in many ways! Not only does it have picture-perfect baroque buildings, a café culture to rival Rome and beautiful unspoilt beaches, Dubrovnik is now a UNESCO World Heritage site and Split was one of the filming locations for Game of Thrones! I can't recommend Croatia enough because it's one of those countries that offers diversity, history and cultural contrasts whilst still being convenient and charming.

Let us show you the hidden charm of Croatia. There's truly something for everyone.

Touring in Croatia

There is no better way to see and discover the Croatian mainland than a leisurely tour in the comfort of a modern air-conditioned coach. Accompanied by a competent and knowledgeable English speaking guide (some tours are bilingual), not only will you see and learn about the country with its rich cultural background, history and traditions but you'll also have a backdrop of strikingly beautiful scenery as you travel. These tours feature itineraries that are carefully planned for Australian travellers, which some tours combining neighbouring countries. See from page 10

Sail & Stay Programs

Boarding a cruise in Croatia is not like embarking on a typical cruise, but more like joining a floating hotel. It is a great alternative to island hopping where you'll have to negotiate the fiddly ferry system, plus there is no need to carry your baggage between hotel rooms. These cruises do not sail at night and instead dock in port so that you can spend the night exploring the destination to soak up the atmosphere or sample the local cuisine. Cruises also dock in a number of secluded bays and beaches during the day to allow you to swim and enjoy the beauty of the coast. The cruise can be booked separately or in conjunction with land packages. See from page 20

City Stays

Our specially designed city stays showcase the best of the Split or Dubrovnik and its hidden gems. We offer similar packages in Zagreb and other cities. See from page 56

Island Hop with Ease

Island-hopping is an easy and affordable way to explore some of the 400 islands scattered along Croatia's coastline. Most of the big ports are near airports, with catamarans and car ferries running daily between most islands. The short distances between the islands make it easy to visit a number of destinations. You can customise your itinerary by choosing the locations and length of stay and we'll organise the hotels and ferries for you. See from page 52

Self-Drive Programs

Croatia's coastal landscape, mountains and valleys, and national parks like the Plitvice National Park imbed themselves in visitors' memories. Driving through Croatia along the Adriatic Highway provides views of towns built on slopes, bays of blue water, and craggy cliffs. Explore Croatia via car, bus, or organised tour to most easily enjoy Croatia's natural beauty. See from page 19

Create Your Own Experience

Our Croatia is infinitely flexible. Travelers can combine individual services into complete itinerary, choose the duration, standard of accommodation, transportation and destinations. With the help of our knowledgeable, experienced Travel Concierges, we can craft a tailored combination of hotels and resorts, day tours, multi-day couch tours, and even local buses, cruises and island stays. We offer selection of private itineraries for those who prefer private drivers and service of local guides as well as independent and tailor made itineraries.

Cruising & Sailing in Croatia

The holiday in Croatia can not be completed without sailing around Adriatic islands. Sprinkled like pearl drops across the crystal clear blue of the sea, the 1,244 islands, isles, and reefs that comprise the Croatian Coast provide 1,244 unique reasons to dream of sailing adventure. From the Arcadian greenery of the Brijuni archipelago in the north, the epic of the Kvarner Bay, with fragrant Cres and Losinj, the golden island of Krk, magical Rab, the small sandy island of Susak, bora-whipping Pag, and pearl-like Kornati, through the beauty of the island of Brac, Hvar, Vis and Korcula, to the island of Mljet and the Elafiti Archipelago near Dubrovnik in the very south. Welcome to the endless beauty of the Mediterranean as it once was. The incredible sea landscape, lovely indented coastline, coves, beaches sheltered by pine woods, small and perfect towns and villages scattered along the coast are waiting for you.

Ship Categories

There are many operators offering cruises in Croatia. We choose to work only with operators and vessels who we trust to meet our high levels of customer service. Boarding a cruise in Croatia is not like embarking on a typical cruise, but more like joining a floating hotel. It is a great alternative to island hopping where you'll have to negotiate the fiddly ferry system, plus there is no need to carry your baggage between hotel rooms. These ships are small 10 to 22 cabins and do not sail at night, instead dock in port so that you can spend the night exploring the destination to soak up the atmosphere or sample the local cuisine. Cruises also dock in a number of secluded bays and beaches during the day to allow you to swim and enjoy the beauty of the coast. Choose between the following categories.

DELUXE SUPERIOR

Deluxe superior are newer and larger vessels, built with high quality materials of solid wood, glass, marble, stainless steel etc. Minimum 47 metres in length, newly built or refurbished after 2016, with hot tubs and spacious, superbly designed, air-conditioned en-suite cabins with double or twin beds, 15-20 metres in size. Cabins are equipped with wardrobes, deposit box, hair dryer, toiletries, bathrobe, slippers etc.

Yacht Charter

Yacht charter in Croatia is not only possible but affordable it cost no more than a holiday in a regular hotel room on the islands. You can experience the magic of Croatia on your floating villa, cruise the picturesque, unspoiled and uncrowded coastline, and cool off with a swim in sparkling clear waters. We offer perfectly maintained and well equipped yachts from budget to luxurious one as well as option of skipper services for those who don't have skipper licence or prefer to relax while the skipper is taking care of the sailing. Luxurious yachts usually come with a crew. Most yachts charter are on weekly basis Saturday to Saturday and vessels can accommodate from 2 to 12 people.

After breakfast our English speaking guide and coach will come to the pier. We'll visit the historical centre of Dubrovnik, the famous city enlisted as UNESCO's World Heritage Site, where your guide will show you the most interesting sights of Dubrovnik. After the city tour you'll be left on your own to explore around, visit City Walls or take a scenic cable car to the top of Mount Srđ with its stunning 360° vista. On this day, we'll not have lunch on board, so you can spend more time in Dubrovnik and see why this city was deservedly nicknamed Pearl of the Adriatic. Return coach transfer is scheduled between 3pm and 4pm (time to be confirmed on the spot). Then we'll sail out for the Island of Šipano where we'll anchor in a picturesque and peaceful fishermen's village of Šipanska Luka. In case dock and lock schedules or weather conditions prevent us from anchoring in Šipanska Luka we'll cruise to Slano, located on the mainland. This night we'll have dinner on board. Overnight in Šipanska Luka or Slano on the mainland. (B,D)

Day 3 Mon: Šipano Island Or Slano-Mljet National Park-Korčula

Day 5 Wed: Vis-Biševo Blue Cave-Hvar

However, sometimes high waves prevent the entrance to Blue Cave, which is something we shall not know before the time designated for our visit. In case we can't enter Blue Cave due to such sea conditions, you will get a full ticket refund. After a swim stop and lunch we'll continue cruising along many coves and bays, towards Hvar, the sunniest Croatian island. Hvar is one of the country's most attractive tourist destinations and a meeting point of international jetsetters. Upon our arrival to Hvar, a local English speaking guide will walk you through this unique city, introducing you to its millennia-long history, culture and a way of life, along with few island's peculiarities,

Croatia General Information

Introduction

With its unspoilt villages, beaches, Roman and Mediaeval Ruins, Croatia is a traveler's paradise with something to indulge everyone. Explore the Dalmatian Coast with its UNESCO heritage listed buildings in Dubrovnik or Split, unearth the capital of Zagreb, a gem in its own right or uncover the natural beauty of any of the 900 islands, bays, coves, beaches and cliffs.

Official Language

The official language spoken is Croatian, though German and Italian are also spoken widely in different parts. English is widely spoken in Tourist areas.

Currency

The currency of Croatia is the Kuna (HRK), and most major credit cards are accepted.

Visas

Australian and New Zealand travelers can travel into Croatia without a visa for a period of up to 90 days, provided they have a passport with at least 6 months validity.

Population

Croatia's population was estimated to be 4.25 million in 2015.

Time Zone

Croatia is one hour ahead of (GMT) and also has daylight saving which is adjusted during summer, the same as the rest of Europe. During Australian summer, Croatia is 10 hours behind, and 8 hours during winter.

Climate

Along the Adriatic coast, there is mainly a Mediterranean climate with hot dry summers and mild sometimes rainy winters. Inland, the climate tends to lean towards a continental climate with warm summers and cold winters.

Average Monthly Temperatures (Degrees celcius):

Food

Croatian food is the result of the differing cultures which have influenced the country over the years. Therefore there is no uniformity as each region has its own specialty. Some traditional dishes which are popular include the Burek, a layered pie made with meat or cheese, Piroška, a cheese doughnut from Zagreb, Brodet, mixed fish stewed with rice from the Dalmatian region, and Manistra Od Bibica, a bean and fresh maize soup from inland regions.

Tipping

Tipping in Croatia is fast becoming more like other European countries, however in most situations, it is still not expected. In higher class restaurants and hotels, a tip of 10-15% is considered polite. For excellent service, we recommend a tip of A\$10 for tour guides and \$5 for bus drivers per day.

Getting There

By Air: Qatar flies from major Australian city via Doha to Croatia. Most other airline can connect to Croatia's main cities of Zagreb, Split and Dubrovnik via other points in Europe.

By Sea: There is some ferry's from Italy, and from Bari there is usually an overnight service during high seasons. Frequency does vary between seasons.

Getting Around

Croatia Airlines is the only airline which services domestic routes with regular flights from Zagreb to Brac, Dubrovnik, Pula, Split and Zadar. Travel via the train network is improving as the infrastructure is being improved, but there are some cities which are not yet linked via train. Best Time to Travel

In terms of weather the best time to go to Croatia, we'd advise September... or possibly May. September still has glorious, sunny weather with warm temperatures, and the sea is also still warm enough for swimming. May is also a great month, as temperatures have already risen to a pleasant level unlike July and August where the sweltering heat can make you want to lie down every half an hour. Better still, you'll avoid the crowds that come from Europe mainly In July and August.

Things To Do

Dubrovnik: Dubrovnik old town, a UNESCO World Heritage Listed, with the surrounding ancient ramparts and fortress walls. Other sites here include the Rector's Palace, the Dominican Monastery, the Franciscan Monastery,

the Cathedral and Europe's third oldest pharmacy. Beaches outside the fortifications of Stari Grad.

Zagreb: Go to see Medvedgrad, the medieval fortress, castles such as Trakoscan, Marusevac and Veliki Tabor. The Gornji Grad, St Mark's Church and the Cathedral of the Assumption of the Virgin Mary.

Split: Visit Diocletian's Palace, Treasury, Peristyle, Jupiter's Temple and Cathedral and Mestrovic Gallery. Other must do include walking through the small picturesque streets towards the Cathedral of St Dominus, which was originally the mausoleum of Diocletian. Other magnificent locations include the beautiful waterfront with delightful cafés.

Islands: Stay at some of the fabulous Croatian islands including Hvar, Korcula, Vis, Krk, Rab and Losinj. On the Island of Rab there is a stark difference in the sides of the island with one side rocky and the other a pine forest. This environment is the setting for one of the most attractive towns in the region, with the stone buildings looking as if they climb out of the cliff side. On the island of Brac is one of the only sandy beaches in Croatia, near the town of Bol. The Island of Hvar is renowned for its rugged coastlines, wines and lavender fields. Dive of the island of Vis into the Blue Grotto, or explore one of the many shipwrecks or follow in the footsteps of Marco Polo on the Island of Korcula.

Inland Istria: Often referred to as Croatia's version of Tuscany, this area is likely to be appreciated by anyone who values good food. Visit one of the many fascinating and ornate hilltop towns and enjoy some of the local foods and wines.

National Parks: Plitvice is a UNESCO World Heritage protected park featuring 16 crystal blue lakes all connected by 92 cascading waterfalls created out of limestone and chalk deposits. The other popular National Parks include Kornati, which covers five of the archipelago's 147 islands. Velebit, including the deepest cave in the world, Luka Cave, Paklenica, combining two very impressive and formidable canyons and a number of caves and vertical rock formations, Mljet, an island south-west of Dubrovnik with deep bays, antique monuments and a 13th Century monastery. Risnjak is a smaller park with a wealth of animal life, Brijuni Islands, home to the infamous Brijuni safari park, and Krka Falls – a day trip from Split.
