**Brochure Content:** Rooms and scenes shown are representative of those featured in various programs but are not necessarily supplied or visited. Hotel locations on maps are a guide only as maps are not to scale. Hotel gradings are those suggested by relevant local authorities or our representatives and may vary from Tourist Office gradings. The quality of hotels overseas may differ from Australian standards. In general terms rooms can be smaller and fairly basic, particularly those in the lower categories. If you prefer a superior degree of comfort, please select a higher category of accommodation. Specific bedding arrangements can be requested but cannot be confirmed or guaranteed. Due to seasonal availability it may be necessary to substitute a hotel advertised with similar category. Sometimes facilities including air conditioning or pool will only be operational in July, August or peak times. Ferry and hydrofoil schedules and services are subject to change. If for reasons beyond our control ferry or hydrofoil services will not operate, our local representative will endeavour to arrange alternative transportation for you, which may incur additional charges at the time of service.
